

Willow United Methodist Church invites

you to join us in:

DIAPER DUTY!

Willow Church is collecting diapers (all sizes) to aid our parents and seniors in the communities where finances fall short and need is great.

- *Did you know that 1 in 12 mothers admit that they've re-used a diaper or left their little one in a wet diaper because they cannot afford to buy new ones for their baby?*
- *Did you know that 30% of parents struggle to afford diapers?*
- *Did you know that one third of children live in poverty with household income below the national median, about \$31,000 a year?*
- *Did you know that almost half, 45% of senior citizens live below the poverty threshold?*

TOGETHER WE CAN HELP! These heartbreaking statistics reminds us that **NO parent** should ever have to choose between one necessity and another, **NO one baby** should ever pay the price. Please join us in our efforts to assist in this need as we collect all types of diaper(s) now through October 25th. Stop by before, during, or after Church on Sundays (*Service starts at 9:30, and ends approximately 10:45*), or you can visit us on October 25th, from 10-3 to drop off your donation! It's our **DIAPER DUTY** to help our fellow parents and seniors, let's do this together! **Alternative drop off locations are (tell them Willow sent you):**

- Karen's Place, 36968 Huron River Drive, New Boston, MI 48164
- Huron Township Police Department, 36500 Huron River Drive, New Boston, MI 48164

Once collection is over, diapers will be distributed by our local authorities within Wayne and Washtenaw Counties during Trunk or Treat.
