

Huron Township

SOLID WASTE PROGRAM

Overview of Waste Collection Service

SOLID WASTE

To ensure pick-up, have your rubbish at the curb by 6:00 a.m. or the night before your collection day. WM will provide weekly collection of bagged household solid waste in 32 gallon containers no more than 50 pounds per container or bag, bulk/ large items of a reasonable amount. Solid waste includes discarded material incidental to the usual routine of housekeeping such as, food waste, floor sweepings, non-recyclable cartons and containers, soiled papers, plastic bags, glassware, rags, small amount of wood tied and bundled in four-foot length.

Help keep your township clean by containing all items; loose items can turn into blowing litter in your neighborhood.

WHAT ABOUT LARGE ITEMS?

Large items such as washers, dryers, microwave ovens, stoves, furniture, mattresses, carpet, etc. should be placed at the curb with your rubbish on your regular collection day.

Please cut and roll carpet into sections 4-foot or less in length weighing 50 lbs or less. Tie with string or tape.

Please call WM (866-797-9018) at least 24-hours in advance of your collection day before placing items containing Freon (refrigerators, freezers, air conditioners) at the curb for collection. Freon appliances can have Freon removed and tagged by a contractor or pay a \$45.00 fee.

ITEMS THAT WE CANNOT TAKE

- Liquid waste (gasoline & automobile oil)
- Construction/roofing debris (have your contractor haul away or call Waste Management for a quote on a dumpster: 866-797-9018)
- Loose needles/sharps
- Car and truck parts/engines
- Yard waste mixed w/ rubbish
- Concrete/bricks
- Tree stumps
- Propane tanks
- Building material
- Hazardous wastes
- Wood/dry wall
- Fencing/railroad ties
- Propane tanks
- Wet Latex paint cans (let paint dry and place at curb with lid off.)

Unacceptable Trash

If the trash placed on the curb is not acceptable under the township's Solid Waste Program, a large tag will be placed on the unacceptable trash and will be marked with one of the following reasons:

- Container larger than 32-gallon capacity or over 50 lbs.
- Yard waste mixed w/ rubbish.
- Unacceptable items not bundled properly, or over 4 feet in length.

SHARPS/NEEDLES

Please do not place needles loose in your trash, this creates a safety hazard for our workers.

An economical way to safely dispose of your needles is to place them in a hard plastic container such as a laundry detergent bottle. Once full, secure the lid and place the container in your rubbish.

Waste Management does offer a needle disposal program. For more information log on to www.thinkgreenfromhome.com.

YARD WASTE — IT'S THE LAW

YARD WASTE IS COLLECTED FROM THE FIRST FULL WEEK IN APRIL THROUGH THE LAST FULL WEEK IN NOVEMBER. DO NOT MIX WITH TRASH.

YARD WASTE IS:

Grass clippings • Leaves • Garden debris • Shrubs, bush trimmings, & branches (under 2 inches in diameter)

YARD WASTE DOES NOT INCLUDE:

Sod • Pet waste • Branches over 2 inches in diameter
• Stumps, logs, wood, dirt, rocks, trash.

WHAT DO I DO?

- Place yard waste at the curb before 6:00 a.m. on your normal rubbish collection day.
- Place yard waste at least 6 feet from your rubbish or on opposite sides of the driveway.
- Grass clippings, leaves, etc. should be placed at the curb in:
 - **20 to 32 gallon cans** clearly marked "YARD WASTE." Cans over 32 gallons or weigh over 50 lbs. are not acceptable
 - Free, self adhesive yard waste stickers can be obtained from the Township Hall OR
 - **Place yard waste in designated paper yard waste bags** available at local retail stores. Do not use paper grocery bags or boxes. Please do not place rubbish in paper bags.

BUSHES AND BRANCHES

- Cannot be greater than 2 inches in diameter
- Cannot exceed 3 - 4 foot in length
- Must be bundled using string
- Bundles cannot exceed 18 inches around (circumference)
- Bundles cannot weigh more than 50 pounds
