CLUB HAPPENINGS

We were pleased to be introduced to **Kathy Carlton-Beh**, Huron Township Administrator's Assistant, and **Marlene Krause**, Huron Township Trustee, at our September 6, 2016, **Club Meeting**. We appreciate that they will be our Senior Center connection with the Township.

Flu Shots will be administered at the Senior Center on Thursday, October 6, from 2-4:30pm. There is a sign-up sheet on the table for those planning to participate in this offer. Please bring your Medicare Card or insurance card with you on that day. If you are not covered by an insurance plan, you may receive your shot through personal payment.
Flu Shot -\$33. Pneumonia Shot - \$95.

Important **Club Election** information will be addressed at our next several **Club Meetings**. On October 4, 2016, a **Nominating Committee** will be appointed. On November 1, 2016, **Nominations** will be accepted. The December 6, 2016, **Club Meeting** will hold the **Election of Officers** for 2017. We hope that our members will be in attendance as we meet and consider these matters.

There are several important calendar changes for **Club Activities** that will take effect beginning in October, 2016. Please make note of these date and/or time changes.

Euchre: 12:30pm – Every Thursday

Pot Luck: 4pm – Third Tuesday of the month

Please note that **Bocce Ball** continues to take place on Tuesday mornings at 10am while the weather permits. Also note that the **Better Breathers Club** will not meet this month. There are plans to secure guest speakers and hold meetings in the future.

There is still time to sign up for a **Soaring Eagle** trip scheduled for December 5, 2016. An Oak Ridge Boys concert is included in this trip package that has bus transportation provided by Bianco. The cost is \$42.

PEOPLE IN THE NEWS

Two of our friends will be celebrating their 93rd birthdays in October. We wish a happy birthday to **Alberta Dombek** on the 4th and to **Gladys Molina** on the 17th. May you both enjoy wonderful birthdays and a good year ahead!

We are deeply saddened by the death on September 11, 2016, of **Walt McCurdy**. Walt's service to our **Club** as **Manager** and **Treasurer** has been greatly appreciated. He was a friend to us all and he will be greatly missed. **Marilyn** wishes to express her gratitude to her friends at the **Center** for their expressions of comfort during Walt's hospitalization. She appreciates the cards, messages, hospital visits, memorials, food, and prayers that were extended to her family. We will continue to keep Marilyn and the McCurdy family in our thoughts and prayers.

We continue to send healing thoughts to our **Sunshine Lady, Marge Taylor**. She returned to the hospital last month for treatment of a gastric ulcer, and she also required two heart procedures to help regulate her heartbeat. Our prayers are with you through your recovery period, Marge!

Elden Krzyske is scheduled to have his back surgery on October 6. He anticipates that his recovery will then take three months. Good luck with this procedure and your following rehabilitation, Elden! We know that **Barb** and your family will assist you through your healing process.

We are sending our prayers to **Diana Novicki** who continues her recovery from hip replacement surgery on September 12. You and **Bob** will remain in our thoughts during your rehabilitation, Diana!

Congratulations are in order for **Gladys Hadyniak** as she recently became a first-time great-great-grandmother. Griffin James Walsh was born on September 11, 2016, to Katelyn and Cody Walsh. We send our best wishes to Gladys and the Hadyniak family!

Mary Dilks, Olga Swick, Doris Ostrom, and Thelma Bradford were happy travelers last month. They enjoyed visiting Tennessee and touring sights in Nashville and Memphis. We're excited to know that you enjoyed a wonderful time together!

Jack Nobles enjoyed a touring trip out West that included seeing Las Vegas. We're glad that you had safe and pleasant travels, Jack!
